Order Dismissing Action and Directing Entry of Final Judgment

In the Order of September 11, 2019, the plaintiff's complaint was dismissed as malicious because he had previously filed a complaint raising the same claims against the same defendants. Dkt. 3. The plaintiff was directed to show cause why this action should not be dismissed and given an extension of time to do so. Dkt. 3, dkt. 8. The time has passed and he has not responded. Accordingly, this action is now dismissed as malicious as explained in the Order of September 11, 2019.

Judgment consistent with this Entry shall now issue. This dismissal counts as a "strike" pursuant to 28 U.S.C. § 1915(g). If the plaintiff accumulates three such "strikes," he will not be permitted to proceed *in forma pauperis* in future cases unless he is under imminent danger of serious physical injury.

IT IS SO ORDERED.
